

Tennis Professional Job Description

The Aspen Racquet Club is a brand new tennis club in Wooster, Ohio. It is expected to open its doors for members in December of 2017. The club will feature six cushioned indoor tennis courts, well-appointed locker rooms, a pro-shop, and a mezzanine level observation deck as well as a small fitness center for members.

The Aspen Racquet Club is in search of both full time and part time tennis professionals. They must have dynamic personalities, willing to teach both private and group lessons. They also must be visible to all other club programs that will enhance the success of the club.

He or she must be an excellent instructor with at least five years of experience in the tennis field. The candidate will be passionate about the game of tennis, proactive, self-motivated and have a friendly personality and excellent communication skills. The position will require evening and weekend availability.

The tennis professional will report to and work closely with the tennis director and manager along with the club owners to establish and grow the club in Wooster and the surrounding area. The tennis professional must have experience in **youth development**.

Requirements

- A minimum of 5 years experience of instructing tennis
- Current certification with either the United States Professional Tennis Association (USPTA) or the Professional Tennis Registry (USTA/PTR)
- Must be a leader and decision maker with the ability to grow programs
- Capacity to teach players of all ages and ability
- Excellent verbal and written communication and organizational skills
- Proven experience in organizing tournaments, team and league play, clinics, camps and special programs for members of all ages and ability
- Exceptional customer service skills, friendly, outgoing and positive attitude to provide member satisfaction for both old and young

Compensation & benefits

Both full-time and part-time teaching professionals will be given a competitive compensation package according to their qualifications and experience.
